BSA Can Feel Confident that Projects Have Been Properly Vetted

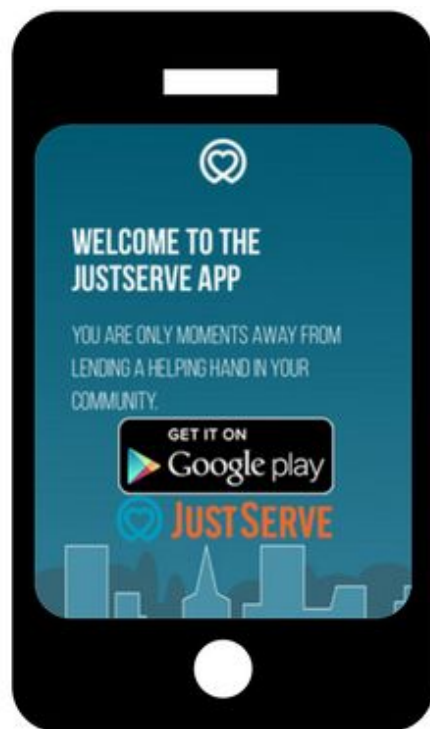

1. The best service opportunities are collaborative—working side by side with others in the community.
2. Humanitarian service opportunities should assist the poor and those in need of a helping hand.
3. Community service opportunities should enhance the quality of life in the community.
4. JustServe projects should not directly involve volunteers in fund-raising, have a political focus, or be for-profit-oriented.
