Tips:

- Provide a range of dates, show up on time and
- Let them know of specific interests but let the entity's contact set the agenda.
- Agree upfront on time and completion expectations.
- Know what tools/supplies/materials you can reasonably supply. Be clear on what the beneficiary will provide, if anything.
- Understand travel, parking and vehicle space limitations.
- Yes, Scouts have their own insurance, but be prepared to sign volunteer forms and waivers.
- Keep up with your total service hours, both for your unit and for the beneficiary.
